ALL KINDS OF CROCKERY, GLASSWARE,  
AND HOUSEHOLD GOODS.

## Collier County tourism "shining stars" recognized

### Outstanding Hotel Employee – Support Staff

**Alma Martinez, housekeeping room attendant, Marco Beach Ocean Resort.**

He is always on top of the needs of her guests and remembers each guest's special needs and requests in great detail. Even on her days off, her supervisor receives phone calls from her reminding him about the needs of the guests on her floor. For instance, she'll know that the guest is expecting company in her suite and will need the room cleaned by a certain time, or that the guest has a detergent allergy and the linens should not be changed. She's a team player, who helps her co-workers without being asked. By the end of each day, she is still smiling.

### Hospitality Above & Beyond:

**Ajan Sathan, in-room dining attendant, Marco Beach Ocean Resort.**

He is an outstanding room service attendant, but that's not all. He's a team player, who can often be found cooking and creating unique culinary experiences for guests. He is constantly recognized by guests with comments like "he so friendly, I will take him home..." or "he makes room service feel like a fine dining experience." His outgoing personality and passion for his work make him a very unique employee and invaluable.

## Congratulations!

Thank you for your outstanding performance.
